## PUPPY WELLNESS AND VACCINE SERIES

Puppy Booster #1	6-8 weeks	Wellness Exam, Intestinal Parasite Screen, Vaccines (DAP & Bordetella), Nail Trim, Flea/Tick/Heartworm/Intestinal Parasite Prevention (when available)	\$166
Puppy Booster #2	9-11 weeks	Wellness Exam, Intestinal Parasite Screen, Vaccines (DAP), Nail Trim, Flea/Tick/Heartworm/Intestinal Parasite Prevention (when available)	\$166
Puppy Booster #3	12-14 weeks	Wellness Exam, Intestinal Parasite Screen, Vaccines (DAP & Lepto), Nail Trim, Flea/Tick/Heartworm/Intestinal Parasite Prevention (when available)	\$166
Puppy Booster #4	15 weeks to 6 months	Wellness Exam, Intestinal Parasite Screen, Vaccines (DAP, Lepto & Rabies), Nail Trim, Flea/Tick/Heartworm/Intestinal Parasite Prevention (when available) Plus you can do pre-anesthetic Bloodwork for additional cost	\$166  \$237

DAP= Distemper, Parvo, and Adenovirus

Bordetella = Kennel Cough

Lepto = Leptospirosis

**Bloodwork = We strongly encourage you to have your pet spayed or neutered after your pet is 6 months or older. Performing this lab work at the last puppy visit gives you a significant discount versus returning for bloodwork at a later date.**
